

Programme at a Glance

Local Day

Saturday, June 2

	718A
08:00 - 10:15	Annual General Meeting CSTM & Awards
10:15 - 11:00	Coffee Break
11:00 - 12:00	Past: History of Transfusion Medicine in Canada
12:00 - 13:00	Lunch
13:00 - 15:15	Present: Updates from the Canadian transfusion community
15:15 - 15:30	Coffee Break
15:30 - 17:30	Future: New products, applications and technologies

Programme at a Glance

Academy Day

Sunday, June 3

	718A	718B
09:00 - 10:30	2A-01 Donors and Donation	2A-02 Education and Training
10:30 - 11:00	Coffee Break	
11:00 - 12:30	2B-03 Organisation and Quality	2B-04 TTID
12:30 - 13:30	Lunch and Satellite Symposia	
13:30 - 15:00	2C-05 Immunohaematology	2C-06 Clinical Transfusion Practice
15:00 - 15:30	Coffee Break	
15:30 - 17:00	2D-07 Immunohaematology	2D-08 Cellular Therapies and Haemovigilance
17:30 - 18:30	Opening Ceremony (Plenary Room)	
18:30 - 21:00	Opening of the Trade Exhibition and Welcome Reception	

Programme at a Glance

Monday, June 4

- Plenary Session
- Blood Products
- Blood Safety
- Clinical
- Cellular Therapies
- Donors / Donation
- Immunobiology of Blood Cells
- Management and Organization
- Other Sessions

	Plenary Room	401	701	716	718A	718B	801	802
07:00 - 08:15		TP Breakfast session						
08:30 - 10:00	3A-S01 Clinical Effect of Iron Deficiency		3A-S02 Red Cell Serology	3A-S03 ATMP	3A-S04 Patient blood management	3A-S05 WP – TTID	3A-S06 WP – IT	
10:00 - 10:30	Coffee Break							
10:30 - 12:00	PL-01 Plenary Session Arthropod borne infections							
12:00 - 14:00	Lunch and Satellite Symposia							
14:00 - 15:30	3C-07 Management of blood components in different settings		3C-S08 Donor's Vasovagal reactions	3C-S09 Young Investigator Session	3C-S10 Platelets: novel products and processes	3C-S11 Bacterial and parasitic infections	3C-S13 WP – Quality Management	Interactive workshop - Designing clinical transfusion research
15:30 - 16:00	Coffee Break							
16:00 - 17:30	3D-S14 Pathogen		3D-S15 Critical care and bleeding	33D-S16 Resource limited countries	3D-S17 New Developments in Immunohematology	3D-S18 Neonatal and Paediatric transfusion	3D-S19 WP- Donor and Donation	3C-S20 Transfusion Practitioner session

Programme at a Glance

Tuesday, June 5

- Plenary Session
- Blood Products
- Blood Safety
- Clinical
- Cellular Therapies
- Donors / Donation
- Immunobiology of Blood Cells
- Management and Organization
- Other Sessions

	Plenary Room	401	701	706	716	718A	718B	801	802
07:00 - 08:15		VI Breakfast session							
08:30 - 09:30	PL-02 Jean Julliard Prize								
09:30 - 10:00	Coffee Break								
10:00 - 11:30	PL-03 Presidential Award Session								
11:45 - 12:30								ISBT General Assembly	
12:00 - 14:00	Lunch & Satellite Symposia								
14:00 - 15:30	4C-S20 The Future of Red Cell Genotyping <i>INTERACTIVE</i>	4C-S21 Donor Risk Assessment	4C-S22 Blood and Product Supply	4C-S23 Frozen Platelets	4C-S24 Haemovigilance	4C-S25 TP - Survey and Abstracts	4C-S26 WP - Blood Supply Management		
15:30 - 16:00	Coffee Break								
16:00 - 17:30	4D-S27 Hemo-globinopathies	4D-S28 Donor Safety	Workshop Grant Writing	4D-S29 Accreditation, Standards and Good Practice Improving Transfusion Service	4D-S30 Immunological Crosstalk	4D-S31 WP - Rare Donors / Donation Terminology / Immunohaematology	4D-S32 WP - Cellular Therapies		
17:45 - 18:45	Poster Session								

Programme at a Glance

Wednesday, June 6

- Plenary Session
- Blood Products
- Blood Safety
- Clinical
- Cellular Therapies
- Donors / Donation
- Immunobiology of Blood Cells
- Management and Organization
- Other Sessions

Time	Plenary Room	701	716	718A	718B	801
08:30 - 10:00	5A-S33 Red Blood Cell Antigens	5A-S34 Blood Products: Red Cell	5A-S35 Building a safe and sustainable donor base <i>INTERACTIVE</i>	5A-S36 Viruses	5A-S37 Transfusions in Haemato-oncology	5A-S38 WP Clinical – Paediatric Sub-Group
10:00 - 10:30	Coffee Break					
10:30 - 12:00	PL-04 Plenary Session Platelets					
12:00 - 13:30	Lunch					
13:30 - 15:00	5C-S39 The Relationship between Donor Characteristics and Transfusion	5C-S40 Clinical Audit and Education	5C-S41 Donor Recruitment and Retention	5C-S42 Problems in Transfusion Medicine	5C-S43 Emerging Infectious Diseases	5C-S44 WP - Platelet Immunobiology
15:00 - 15:30	Coffee Break					
15:30 - 17:00	PL-05 Plenary Session Transfusion Medicine Past, Present & Future					
17:00 - 17:15	Closing Ceremony					
19:00 - 23:00	Congress Party (Rebel, Polson Pier) Tickets available at the Registration Services desk (€ 50)
